CLERK: 35 ayes, 0 nays, Madam President, on the advancement of LB 152.

PRESIDENT ROBAK: LB 152 advances. LB 17.

CLERK: Madam President, LB 17 introduced by Senator Hall as Chair of the board. (Read title.) The bill was introduced on January 5 of this year. At that time it was referred to the Revenue Committee. The bill was advanced to General File. There are Revenue Committee amendments pending.

PRESIDENT ROBAK: The Chair recognizes Senator Warner on committee amendments.

SENATOR WARNER: Madam President, members of the Legislature, LB 17, as indicated when the Clerk read the title, was a Revisor of Statute bill which was intended to, is intended to correct a situation that developed last session. There were...an amendment was attached which was...to an all inclusive bill which was a portion of the amendment which contained LB, I think it was 994, was not the correct version. As a result the subsequent bill that was passed there was the correct version put in dealing with that proposed bill but in the process the language that should have been stricken was not, and the effect was that you had in...inconsistent bills that were passed dealing with the same issue and this was to straighten it out. What the committee amendment does, it has the effect of putting both bills in the position that they were intended to be. The committee amendment strikes the language that should have been stricken in the bill as introduced so that it is consistent and I'd move adoption of the amendment. It's a corrective matter in order to get those two bills...one of them dealt with the motor vehicle lease sales tax and the other one dealt with motorboats but this gets both of those bills that were passed last session to be consistent with what was the Legislature's intent at the time they were passed and the amendment is essentially technical to make sure that that occurs.

PRESIDENT ROBAK: Thank you, Senator Warner. The Chair recognizes Senator Hall to speak to the committee amendments.

SENATOR HALL: Thank you, Madam President and members. I rise
